Directions: In the spaces below, please journal your response to each of the questions about how you became aware of your son or daughter’s same-sex sexuality.

1. Describe how you came to learn about your child’s same-sex sexuality. Did your child disclose this to you? If so, please describe. Did you discover this about your child? If so, please describe.

2. How did you respond to your child at the time of disclosure/discovery?

3. Looking back on the time of first response to your child’s same-sex sexuality, would you do anything differently?
